Relationship in reality

A black and white cartoon illustration. On the left, a man with long hair and a beard, wearing a simple tunic, is walking. He has a speech bubble that says "I can't see anything". To his right, a dog is walking, also with a speech bubble that says "I can't see anything". The dog is looking up at the man. In the background, there are several tall, thin, pointed structures that look like trees or spires, and a small, dark, rectangular object hanging from one of them. The scene is set in a landscape with some hills and a bright, hazy sky.
